### **UPCOMING SJIPC EVENT:**

**Friday, May 16th at FHHS: ARRIVE ALIVE TOUR 8am-3pm students / 3pm-4pm Open to Public**  
Please put your cell phones down when you drive. Watch for children outside playing and having fun! Let's keep it that way...

Leadership training for local youth at the Washington State Prevention Summit, offers teens a chance to return to our community and help make positive changes.

*The future looks bright!*

## A note from Brad Fincher, Chair, Board of Trustees

Here's to a safe & healthy summer!

The **San Juan Island Prevention Coalition** has been in existence since 2003. This calendar came about in order to offer parents an organized, concise guide of activities to engage children and families throughout the summer. We have been producing this calendar for 7 years now!

The **mission** of the SJIPC is to **reduce substance abuse in our youth**. We encourage all Islanders to make healthy choices. Keeping youth engaged and busting the boredom factors will help support our youth and hopefully help them choose a drug and alcohol free lifestyle. Our youth need parental and family support to do this. Keep your children active and connected!

If you are interested in getting involved with the SJIPC, please visit our website: [www.sjipc.org](http://www.sjipc.org), find us on Facebook, email or call us! Collectively, we can make a stronger impact for the good of our community.

Have a fun and memorable summer. Make healthy choices... Brad Fincher
